

October 2022

Dear Friends,

My Brother's Keeper is a force for good in the lives of those we serve and those who serve with us.

The keys to our success are an unwavering commitment to mission, an extraordinarily dedicated community, and a strong desire to be good stewards—to do the very best we can for our brothers and sisters in need.

Over the last 20 years, we've done great work from our Easton facility next to Stonehill College and we recently made our 200,000th total delivery. Good stewardship, though, calls us to be proactive and forward-thinking so we can do even better.

We believe it's time to invest in the future of My Brother's Keeper and strengthen our ability to bring help and the Love and Hope of Jesus Christ to those we serve.

In January 2023, we will begin a major renovation of our Easton facility. The project will allow us to complete **167,000 additional deliveries worth \$53,000,000** to local families in need over the next 20 years. It's quite a return on investment!

Please support the Easton Building Project and help My Brother's Keeper do the most good in Christ's name long into the future. Thank you for your prayerful consideration.

Yours in Christ,

Erich Miller
