2023 MISSION APPEAL

MY BROTHER'S KEEPER

A Christian ministry of loving service and education

Amanda Gately graduated from Saint Anselm College with a bachelor's degree in Business & Finance in May of 2020. Like many other college graduates that spring, Amanda faced one of the toughest job markets in recent history.

A friend from her hometown of Pembroke knew that faith was important to Amanda and that she had a passion for service. This friend invited Amanda to fill some of her free time by volunteering at My Brother's Keeper. Amanda recalls:

“By and through God’s grace, My Brother’s Keeper was one of the first steps in not just changing my life but saving my life. By serving those in need, the Lord revealed the poverty in my own heart and guided me through a journey of healing.”

“In a very deep and personal way, I also experienced Jesus calling me to Him through the witnesses of the amazing people at My Brother’s Keeper.”

For the next six months Amanda volunteered at My Brother's Keeper on a weekly basis. Through her experience serving others in Christ's name, she not only grew in her faith, Amanda also heard a call to Christian service in her career.

Today Amanda works as a Coordinator of Youth Ministry. She enthusiastically shares what she learned at My Brother's Keeper and inspires a new generation of servants to bring the Love and Hope of Jesus Christ into their community.

“My Brother’s Keeper taught me that to serve is to love and to love is to will the good of the other. Thus, I strive to embrace an essential Christian virtue: humility.”

“Serving others is not just a means of making ourselves ‘feel good’ or fulfilling a ‘requirement’, but rather it’s where we deeply encounter Jesus in our neighbor and live out our faith.”

It is a blessing and privilege to serve our neighbors in their time of need. We received the note below from a community partner who referred a client for help.

“I am all set now! My case worker connected me with My Brother’s Keeper. They brought me groceries, excellent quality, chicken and plenty of fruit and vegetables, even bananas! They deliver everything and carry it up the stairs. They also delivered a brand-new couch, all the way upstairs, and they gave me a brand-new wooden cross, new and still in its wrapping. I put it right on my wall, I believe in God!”
